Saturday night,
June 23 - 1905

Georg, sweetheart,

So many Saturday nights without you in the last year makes me more determined than ever to have the "time of my life" every Saturday night after you return home to us. We'll sure paint the town black and blue and we get started on our year.

Jim and I still love you with back our hearts and miss you every minute of every day. You're in my thoughts all the time and in most of my conversation. Jim is getting to know lots about you.

Two letters from you arrived to-day,
one dated May 24th just a note with
many snapshots and the other contained
Frank's letters. Snaps are interesting but
the letters thrilled me. Frank expresses
himself nicely and writes rather well.
He sure thinks the world of you, darling.
Billy Rubel, our most generous and
thoughtful friend, did it again. To-day
I received a sweet letter with a \$5.00
check enclosed. It's really your check,
Bill says and wants us to have it.
To-morrow I'll write an answer and
thank him for his generosity. We'll
have to do something for that guy
very soon, or present him with
something rather precious. It'll
be a pleasure for both of us, I'm sure.

The hammock arrived this afternoon from Sears, Roebuck and it'll do us good service this summer. It's durable, only ²2.98 and has a nice striped pattern. We'll hang it up to-morrow and I have to get 2 hooks for it to-night. Now we're really set for a vacation — but it's not 100% with you so far away.

During the afternoon Jim didn't nap so I drove with him and Jim to the hotel to visit Bess. We had a pleasant chat, sat in a cool spot and then went to a farm. We bought fresh eggs and home grown strawberries that are out of this world. Berries were the biggest I ever saw

and we expect to buy vegetables and
bottlers from the farm out a week.

Bess also gave us some raspberry
preserves and huckleberries in jars.

And eat the kind that explodes.

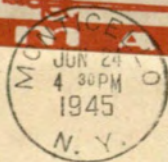

Remember? How can we ever forget.

Car runs fine and I expect to keep
it in good condition all summer. There's
a good mechanic nearby just in case.

Baby and I are just fine and hope
before the summer ends that you're
headed toward us and home. We'll
just have to leave it a bit longer —
things could be much worse. I'm
thinking of your fine friends and Frank
in Belgium.

Good night, sweetheart and all
my love and devotion to the best corporal
ever. Kugs and kisses from Jim —
best wishes from mom.

Sincerely
Dorothy
