

Harling.

Friday - aft -

Writing this in the road and the drive is lovely.
Weather is real warm and we're all fine - Jimmie
Ellen and myself. Stopped in to see Mom & Pop and they
are O.K. Will mail this in Monticello and will write a
letter to night. You're just some rascal - he's wearing
cleaner out in the back of the car.

All my love to you and a hello from baby.

Love
Florence
