

Philadelphia March 20. 1780

Sir,

You will receive herewith enclosed an Act of Congress of the 10th Instant calling upon the several States to bring in the Continental Currency by monthly taxes or otherwise as shall best suit their respective circumstances, in proportion to the Quotas assigned to each State by the Resolution of the 4th of October 1777 and making provision for other Bills to be issued in lieu thereof under the Regulations and Restrictions mentioned in the Act.

This Act is the Result of much Labor and Deliberation as the happiest Expedient that could be adopted to extricate these States from the Embarrassments of a fluctuating Medium and at the

the same time in some Measure afford the necessary means for supporting the ensuing Campaign.

You will readily perceive the Importance of this Measure and the indispensable Necessity of Unanimity in the States in conforming thereto.

It is requested that there may be no Delay in taking this out under consideration and that the Assembly if not sitting, may be convened as soon as possible for that purpose and that the Laws that may be enacted in pursuance thereof be transmitted to Congress without Delay.

The new Bills will be struck under the Direction of the Board of Treasury and sent to the several States in due Proportion

proportion
