Dearest,

Forgot to ask you to be sure to advise
when you receive the allotment check, and also
when my folks receive same. Also take care
of Car, having it filled with freezing fluid,
next gas? Awaiting Bob's address, and
the weather's beautiful. Received your letter,
also one from Danny, which I have already
answered - Kiss Sunny Jim for me, and
I'm still thinking of you - as ever
Will wait a picture soon - George
