

Dear Florence,

(<sup>Thurs. June 20.</sup>  
remember?)

Received your card and

letter and was really  
happy to hear from you.

Joel and I are fine  
and the weather here is  
very warm. Joel keeps  
me busy running after  
him all day. He doesn't  
want to stay in his  
carriage any more, he

only wants to walk  
and he does very well for  
himself.

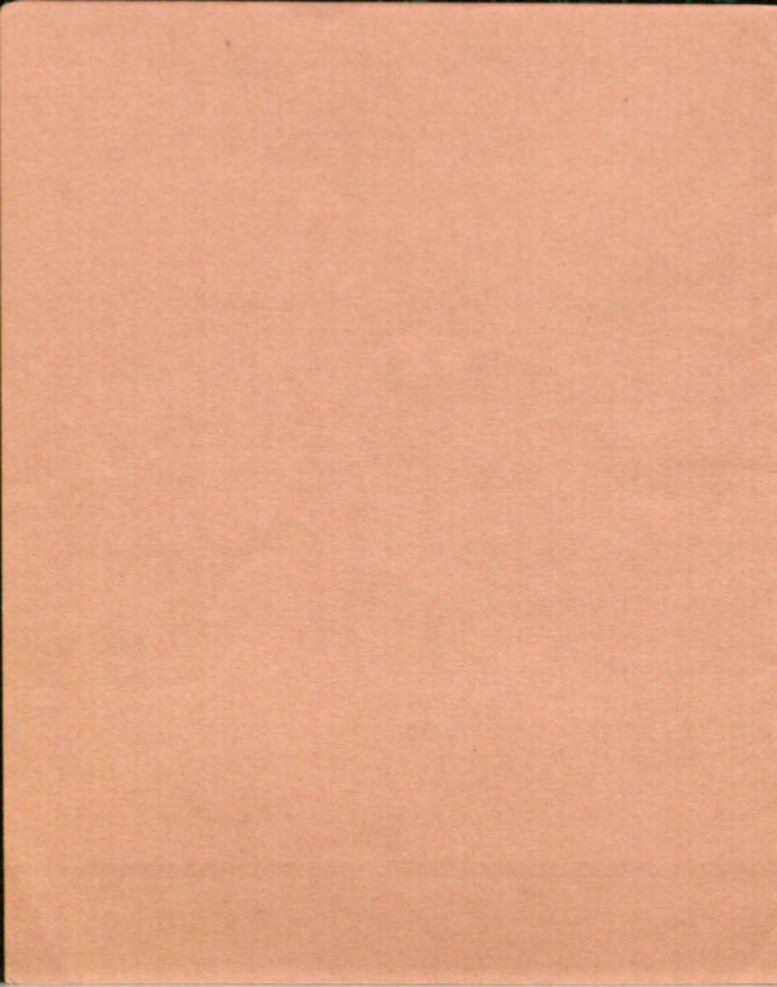

How long are you  
going to stay. Mr George  
going up for the 4<sup>th</sup>?

I hope by the time  
you get back I should  
have good news for  
you in reference to  
my future plans. There

is very little to say  
at present.

Take good care of  
yourself and send my  
regards to Al. & Fred.

Your little sister  
Thelma
