Mother's Day
 Sunday

Cheryl, my darling,
 At present I'm with your mom, her and Margaret
 and Coleman Gymnasium waiting for kids and other
 children to put on a gymnastics show. Jim is having his
 nap and Pop is with him at Mary's place. We're all fine
 and dandy and miss you as dare much. You are a beauty.

Today's a very nice Mother's Day for me with
 cards, flowers and gifts to make it a real holiday.
 Mom and Pop sent me flowers yesterday, red roses and
 enclosed a card with your name on it. Wasn't that
 swell and thoughtful? Mom also received your
 lovely little note and had a good cry because of
 all the joy and thoughtfulness you always show.

I expect to have a nice hot roast dinner after
 the show and to night I expect to go to the movies with
 my sister Bea along with the babies.

Stay well, my dearest and remember I love
 you with all my heart. Love from the family and
 yours from Jimmie.
