Darling:

Here is a little research work you will have to keep me with. I may be able to work out a tax refund for 1943, but I will need the following information.

Please make an exact copy of my 1942 Tax Return, using the enclosed blank form. Copy every written number off the copy you have in the file box under I. Return this to me, use either pen or pencil. Be sure to preserve copy that is now in file.

In some place you will find a form for "estimated 1943 income", please send me the figures I used for

1. estimated income (1943)
2. Victory tax paid.
3. Total ~~to~~ tax due.
4. My social security number.

In my black book on the social security page, I think, or else it is attached to income tax forms in file box, you can also find amount paid on Victory tax if you are unable to locate it on estimated tax return.

Please send me instructions attached to income

tax returns for 1943. They should have been attached to form you received recently from Tax Bureau.

Phone Mr. Kessler and ascertain from him exact amount I paid for Withholding Tax this year.

I have plenty of forms, so do not send any 1943 returns down here; and do not forward anything in files at present, as I may be moved and the records might go astray. That that I expect to be moved for a while, ~~I~~ but this is the way, Mrs. Hoff, and one never knows from minute to minute.

Thanks for your Co-operation, my pretty one, and if I scindle them out of a refund I'll buy you a new hat. More love and many kisses.

as ever,
