Mr. Clapp wishes me to say that he is well and enjoys himself finely. We are were on guard yesterday and I did not have time to mail this letter. We are on guard two hours and off four, making eight hours guard duty in twenty four. We had a division of parade yesterday. Gen Briggs is Commander of our brigade. I went off two miles to wash in the brook. I presume 10000 persons wash in that brook every day the water is rather dirty we don't find such clear brooks here as in N.H. To-day we had preaching by the Chaplain it is very hot but I don't suffer with the heat
