SEE INSTRUCTION NO. 2

Wednesday -

Dearest beloved,

All is fine at home, had 3 v-mails from you to-day and mailed a package to you this morning. Letters were dated March ²²19 - ²³23 - ²⁴24 and convinced me you're still O.K. Weather turned nasty in the afternoon so Jim and I napped and I baked a Devils Food cake when we awoke. It's delicious and Eleanor enjoyed it to night after supper. Jim and I were out most of the morning, stopped and went to the post office. In yesterday's letter I mentioned that I received 2 packages that were mailed from Paris and all the perfume came in good condition and your selection is fine.

Eleanor is with me all evening and is helping me finish up some sewing. She and my mom gave me a box of Barton's candy and a pair of flowered flaps shoes for a gift. Your folks are fine and Glad to hear from you. I love you as always and Jim and I send you kisses and hugs. ^{Love}
