Dear Sq. Tho. Jim:-

Nothing of import to relate.

Feel much better; but resting in doors tonight and tomorrow.

Weather finally turned nice again.

I mangle only 21 days off - Zowie!

Enclosing latest pictures. Some are good; but bad ones are fault of camera. I've just got to change it. Wonder have you any ideas about this. Perhaps a trade in or something of that nature —

Haven't been keeping up with war news; but we still work hard, so news is bad - good or bad.

Hope Tho. Jim aren't arguing yet about Jim's staying out too late at the local bar.

P.S. - did you get money order?

Still handshaking —

Bob
