Wednesday

Large dearest,

Received your maw. 3rd V-mail and it's good to know you're well and getting mail often. A 116 camera is on the way and was sent 1st class but all hope your next stop is home and the folks and I are waiting patiently for that day.

Jim is well, eats nicely and talks much and more. Bless you the rest of the day and will be in Brooklyn until Sunday. Haven't found a summer place but am trying every corner conceivable. Is it possible to spend the summer in Europe with you? (Joke)

Spoke to Miss Licher tonight and the family is well. Her best regards to you. We called and the folks are fine. You and I send you all our love and do hope the mess is over by the time you get this.

Sincerely,
 George
