Thursday eve

Dearest George,

Jim and I are in swell spirits and in good health. I wrote you a long letter last night so this will be short. No mail from you today but did receive 2 packages mailed from Paris First class. Contents were about 8 bottles of perfume and in all in good order. You're the grandest husband and I thank you from the bottom of my heart. I'll list all the names and prices in my next letter. It's difficult to tell how many are unless I break the seals on each bottle. If it isn't too much bother or expense I'd like to get 2 more bottles of Chirabelle Royal - It's exquisite. Please let me know the cost of each bottle and I'll get the local prices and mail them to you. Thanks, sweetheart. Expect to mail another package to you to-morrow and I'll try to fill all your requests. It's not too difficult.

Received the money from Eidlitz and the bill is 44.55 for our part. Also received allotment check.
