

Sir,

Boston Jan^y 1, 1778

I wish it was in my Power to make a return of those Continental Blanks to Commission Letters of Marque, which you was so kind some time ago to lend me. I am really ashamed that I have not been able to send them. I have frequently thought of it and it has given me great uneasiness. I have repeatedly wrote for a Supply. I desired the Honorable M^r. Dana when he went from here to bare it in mind but I have not heard any thing from him. I have been ^{put} to great Difficulty and obliged to alter old Commissions. I however hope it will not be long before I shall be able to forward those Borrowed with Gratitude and perhaps it will be in my Power to retaliate by a similar Act of Kindness.

I am Sir with great Esteem
Your Friend & Serv^t.
