Friday March

George dearest,

Weather is glorious and we've had a swell week all week. Jim and I are fit and dandy and nicely sun-burned. We're having a nice Easter vacation and getting the benefits of the country.

Yesterday afternoon, I dusted the car inside and out and Jim and Jan helped me with their brown. Later we all gathered pump. willows and had so much fun. Supper we ate like hungry animals and the children were tucked in early. All evening, we gabbed, knitted and listened to the radio. I went to bed early and slept well.

No mail from you since Tuesday so I guess Betty has an accumulation for me. Stay well, my beloved and we'll be in each others arms very soon. We're having a little fun in the seasonal and don't forget to enjoy yourself too. Spring is really here in all its glory and over there it must be lovely too.

All my love to you, sweetest and love and happiness from Jim. *Love, George*
