

Letter, George Stoff to Florence Stoff, Hamm, Germany, June 15, 1945, Letter 2
[Transcriber: Kathryn Manning]

Hamm
15 June '45.

Florence, darling,

To avoid payment of postage I'm sending the enclosed and subsequent snaps and papers via regular mail. This is not a daily letter or any part thereof so don't look for me to say any more than "I love you"

as ever,

George
