The KSC soccermen couldn't organize

much of a scoring attack during the

last frame as Plymouth played strict de-

fensive ball. However, on a controversial

play, McEvoy managed to break through

the Panther defense and passed off to

Rit Swain, who headed the balls into the

A short time later the official on the

scene nullified the goal, ruling that Swain

had tipped the ball in with his hand.

Time then ran out on the Keene booters,

The Owls may get another look at

Plymouth as there may be a 2-way tie

for first place in the Northern Division of

the NESCAC. This would result in a play-

off match between either Keene, Plymouth.

The Owls travel to Fitchburg Thursday

and return home for a Greek Weekend

game on Saturday against Eastern Con-

who outshot the Panthers 27-12.

Plymouth nets.

CONTROVERSIAL PLAY. Keene's Rit Swain (center) directs ball into Plymouth net in goal that soon was nullified by officials.

HARRIERS MARK 13th WIN

The KSC Harriers marked their 13th victory last week in defeating Lowell-State with a perfect score of 15-50. Freshman Keith Martell once again took top honors with a finishing time of 24:27 for the 4.8 mile course.

Keene took the first ten spots in Wednesday's meet. Glenn Braunhardt, Dave Aulielmo, Denny Anderson and Pete Hanrahan followed Martell with times of 24: 55. Mark Malkoski seems to be returning to last years form as he finished 6th. Jerry Dee was 7th. Tom Keegan 8th, Tom Greenwood 9th and Al Preston 10th.

On Saturday the Harriers placed third in the Merrimack Invitational behind Al-

bany State and Lowell Tech. The final tally was Albany 21, Lowell 81, and Keene 91. Keene was among 17 schools and 100 runners to compete in the meet.

Albany's Dennis Hackett finished first with a time of 27:24. KSC's finishers were Dave Znglielmo 16th, Denny Anderson 17th, Glenn Braunhardt 18th, Pete Han-

rahan 19th, and Keith Martell 20th. Coach Taft was disappointed with the team's performance and felt that some of his men should have finished in the top

Keene's record now stands at 27-3. They are in contention for the NESCAC championship.

ALUMNI GOAL

The committee decided that emphasis for the selection of the recipient be placed on classroom teaching with consideration being given to "accessibility and rapport" with students in and out of the classroom.

Dr. Peters, a member of the KSC faculty for 23 years, was born on March 22, 1907, in Lyon County, Minnesota. Peters received her B.S. degree from Mankato (Minn.) State College and her M.A. and Ed.D. degrees from Columbia University. Her topic of doctoral dissertation was "The History of the Evaluation Movement in Mathematics."

She has had articles published on mathematics in "Mathematics Teacher," from 1950 to 1970, and she co-authored "Sequential Tests of Educational Progress in Mathematics" in 1956.

Dr. Peters taught elementary school and junior high school in Minnesota, and secior high school in Indiana. She was a civilian teacher at Fort Sheridan during World War II, mathematics films supervisor for Educational Films Inc., N.Y.C.,

KEENE SUFFERS FIRST LOSS

Keene State College's nine game win- Owls from scoring. Their efforts were successful as both Graham Jones and ning streak was finally stopped short at the hands of rival Plymouth State College, Hal Shortsleeve were ejected from the game protesting what they called a "physical attack" from one of the Ply-

The two soccer teams played to a 0-0 deadlock over the first half, but at 8:54 of the third quarter, Panther, Don Hubbard, scored on an indirect kick which put the Owls behind 1-0. Seven minutes later Keene's Graham Jones maneuvered his way downfield, firing a shot, which rebounded out to Rit Swain, who then placed the ball in the top right corner to knot the score 1-1. Swains tally was his fifteenth of the season.

At this point it seemed as if Keene was on its way to another fine offensive drive, but they were definitely hampered by several contested calls by the officials. Then at 18:00 Reinier Bertelmen scored the winning goal for the Panthers on a

penalty kick. The Owls just couldn't capitalize on the opportunities they did have, including a hard shot by Mark McEvoy that hit the post, much to the dismay of the many Keene fans attending the game. · From then on Plymouth used just about every tactic possible to keep the

Harris Declares DRAFT **Dem. Candidacy** Continued from Page 3

WASHINGTON, D.C. (CPS) - Calling himself a representative of the new populism, Senator Fred R. Harris (D-Okla.) formally declared himself a candidate for the Democratic Presidential nomination.

Speaking Friday, September 24, in the Senate Caucus Room, the Oklahoma Democrat remarked that Americans were losing faith in their government leaders and are becoming convinced that elected officials are incapable of changing the

"I intend to try and turn this country around before it is too late," Harris said to the approval of over 200 supporters gathered for the announcement of his candidacy. Harris becomes the second official contender in the race for the Democratic nomination. Senator George Mcthe presidency last January 18.

Harris intends to build his new pop ulism around three main points: Better distribution of the national economy, better distribution of power at home and a return to idealism as a basis for foreign policy abroad.

tiberal/Radical Parties to Challenge 'Republicates'

By ERIC MALONEY

Small liberal/radical parties across the country are attempting to unite into a powerful fourth party before the 1972 presidental elections

35 such parties representing 25 states met in Albuquerque, New Mexico on July 4 to organize what will be called the "Coalition."

The Coalition views itself as the only alternative to what it calls the "Republocrats." The Democrats and Republicans, in it's opinion, are tied down by monied interests and an inability to bring about

The Coalition hopes to become a grass roots movement, with it's financial support coming from the citizenry rather than from corporate powers. It calls for people to rally around a common set of ideals rather than a central figure.

The central platform, drawn up at the July 4th convention and sent to the various small parties for ratification, includes such planks as:

* An end to tax loopholes for the rich. * An extensive national health care pro-

* Strict enforcement of all anti-trust

* The abolition of all crimes without

The platform also includes: Immediate withdrawal from Southeast Asia, aboli-

tion of the draft, amnesty for draft resisters, and prohibition of presidental wars.

The Coalition has an extensive environment program, including the recycling of wastes, rapid transit systems, and the use of resources for human-oriented purposes rather than for profit.

The platform will be submitted for final ratification at the national convention in Dallas, Texas during the Thanksgiving holiday, The convention will also decide upon a presidental and vice-presi-

or HOW TO LIVE AT KSC FOR LESS THAN \$5 A YEAR??

By PAUL LEMIRE

PIANIST PETER NERO TO PERFORM IN KEENE

Famed pianist Peter Nero will appear in concert in Keene next Monday night (Nov. 1) through the courtesy of the Keene State College Concert & Lecture

The performance will be held in the Keene Junior High School auditorium, starting at 8:30 p.m. The concert date had originally been scheduled for the KSC campus, but was switched because of a larger seating capacity in the auditorium. Admission is \$1 for adults and 50 cents for children and students. KSC students, faculty and staff are admitted by ID

Students are reminded that seating will be on a first come first serve basis and that they should plan to arrive early.

Nero, regarded as one of the finest and most exciting pianists in the world today, will present a program titled "From

they performed on 14 different instur-The selections ranged from King Henry's own "Pastime With Good Company" to a sprightly rendition of "Nobody's Jig" played by Kay Jaffee on recorder. Occasionally, Michael Jaffee sketched the history of certain unest, like the somber "O Death, Rock Me Ssleep," once though to have been written by Ann Boleyn be-

fore she was beheaded. Above the buzz of the krummhorn and the muted "pling" of the 14-string lute, the soaring voices and clear diction of soloists Summers and Cassolas, allowed the audience to share the bawdy flavor of Elizabethan songs and the martial beat of "Lord Willoughby's Welcome Home."

The Waverly Consort remained until Tuesday morning, when the members performed a "masters concert" for music majors, as an additional attraction.

Dance to Benefit Peoples' Hot Line

A dance to benefit the People's Hotline will be held this Saturday at 8 p.m. in the Brown Room of the Student Union

The dance, which is being sponsored by the Student Union, will feature the Prairie Oysters and Gary Croteau. Admission is \$1. All proceeds from the dance will be donated to the financially ailing People's Hotline of Keene.

"The hotline is doing something for us daily, it's time we do something for them," said Steve Smith, assistant director of the Student Union. Brownson was a series of the s

Monadnock Editorial

From the viewpoint of many KSC students, the 1970-71 Kronicle was one of the more successful yearbooks of recent years. Gordie Davis and his staff deserve a congradulatory note on their efforts and on their punctuality. The only problem which seems to have suddenly arisen, though, has nothing to do with the quality of last year's yearbook. It has to do with

In past years, Kronicle editors have discovered that an over-abundance of printed volumes inevitably end up in some forgotten corner of the campus where only the mice and termites bother with them. As a result, a minimum amount of yearbooks are printed and the money is put to the better use of improving the yearbook.

Due to the unique conditions surrounding last year's Kronicle, however, (namely, that it arrived on time), the students quickly depleted the supply. A number of students wishing to have the '70-71 yearbook, then, were unable to obtain one. Out of the 500 students who did not receive a yearbook last year, so far more than 30 have complained about the situation.

No one is actually at fault for this problem, but something obviously has to be done about it. Each student pays for his copy of the Kronicle when he pays his student activity fee, therefore, each student is entitled to a copy no matter what the circumstances. If the Kronicle is to be given out on a first-come, first-serve basis, then there should be enough copies to go around

The matter will be brought up at the next Student Senate meeting, and hopefully something will eventually be decided upon. Several suggestions have already been made which might satisfy this year's students who were unable to obtain the yearbook and alleviate the problem in future years.

The first suggestion has been for the Student Senate to refund the money to each student who has paid for a Kronicle and not received one. Another suggestion is that the Student Senate buy the requested number of yearbooks from students already owning them at a reduced price and then give these to the people requesting them. Neither of these suggestions may be satisfactory to the Student Senate due to the expense, but something must be done to rectify this unfairness imposed on a few of Keene's students.

Obviously the problem is a perplexing one. The Student Senate is no more responsible for the situation than anyone else, but they should not set the precedent of condoning a situation in which all students pay for the yearbook, and only some receive it.

last year's yearbook with your ID. If you want to express yourself creatively, join the staff, or the staff of the JOURNAL, the campus literary magazine.

FREE SUGGESTIONS. If you would like to complain about something - like the quality and types of films you've seen to date, or if you would like to see films other than those the Social Council or Student Union Board has voted on, drop your ideas in the idea box at the S.U. desk. You might well suggest to the Council in what type of activities it should spend your own money too. Don't let some of the so-called representatives louse up your good idea by not bringing it up.

FREE FRIENDS. If you're weary and feeling low, call 352-5530. That's the Center for Human Concerns at 17 Roxbury Street in Keene. There is, of course, the Hot Line at 352-5656, but if you'd like to really get into it with therapy sessions and such it's the Willing Hands Outstretched at 352-5450. Every Thursday at 7:00 p.m. for 11/2 hours they have group sessions. If this is what you've been waiting for, if you long to be rid of your loneliness and know, really know someone it's WHO just south of Beaver Street.

FREE FAMILY PLANNING; PREGNAN-CY, SEX, BIRTH CONTROL INFO. KSC has had more than enough of its share of accidental pregnancies, irate parents, anxious and worried girls. If there are any questions or problems dealing with these subjects call the Planned Parenthood of Southwest N.H. at 305 Main Street (352-8616 or 352-7765), or even the College Health Service at Fiske Hall, Dr. Wolterbeek (352-1909 or ext 207).

FREE YOURSELF . . . from the hassle of getting any services and paying for them without first checking this listing. If there are any omissions, if there are other free things you can get on or off campus let me know. Put a note in the MONAD-NOCK letter box at the Student Union.

VT. TRUSTEES TO CONTROL FEE

BURLINGTON, VT. - The trustees of the University of Vermont have been ordered by a judge to take over control of \$21 Student Activity fee which is currently disbursed by the school's Student Association.

Franklin County Judge Harold C. Sylvester acted on a suit filed by six university undergraduates last March which charged that the way the fee is distributed violates the due process sections of both state and federal constitutions.

The fee is collected from all students by the administration but is distrubuted by the Student Association, an undergraduate organization elected by the students.

Carter E. Lace, the UVM undergraduate who spearheaded the move charged that the money is used to bring radical speakers on campus and to support radical student activities.

Leon Latham, a trustee and attorney for the university said that he will meet with school president Edward C. Andrews Jr. this week

Phi Mu Delta Names Pledges

The Nu Omicron Chapter of Phi Mu Delta fraternity of KSC initiated 13 new pledges recently. A pledge trip to the Cedarcrest Home for mentally retarded children in Westmoreland was held on Oct. 6. The trip included a series of skits put on for the benefit of the children by the

Two more trips to the Crotched Mountain Rehabilitation Center in Greenfield, New Hampshire are planned for Nov. 3 and Nov. 10.

LE.A. ELECTS OFFICERS

The Industrial Education Association filled vacancies in their staff of officers in a meeting held here recently.

Ronald Brown was elected as the I.E. Department's representative to the College Senate and Leonard Nelson was elected as representative to the Student Senate. Lou Robichaud was also elected as the I.E.A.'s social council representative.

The I.E.A. has urged that all Industrial and Technical Education students take part in their activities. Several lectures and field trips are planned.

The Association's next meeting will be held on Tuesday, Oct. 26 at 7 p.m. in the Adams Tech Building, Room 12.

Gallery Shows Eskimo Prints

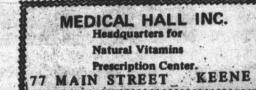

The Thorne Art Gallery of Keene State College is currently presenting an exhibition of Eskimo prints. The exhibition, titled "Eskimo Prints from a Private Collection," will last for three weeks. Viewing hours are 1 to 4:30 p.m. Monday through Friday and 3 to 5 p.m. on Sunday. Admission is free.

Mrs. Jocelyn Brodie, gallery coordinator, said the collection consists of "some of the finest examples of modern Eskimo printmakers in a wide range of style and content." The exhibition has been obtained through the initiative of Dr. Thomas L. Havill, associate professor of geography at Keene State in connection with his course at Keene State, "Native Man and His Physical Environments in North America."

The exhibition includes works produced in the areas of Cape Dorset, Baffin Island, as well as Povungnituk on the eastern shore of Hudson Bay, and Holman on Amundsen Gulf, Northwest Territories. The prints are made from soapstone blocks into which the designs have been carved and inked, or from sealskin stencils adapted from traditional women's crafts. The subject matter, since the Eskimo is primarily a hunter, is drawn from Arctic wildlife and often imbued with fantasy and spiritual significance.

CAMPUS-CHURCH PROGRAM

Sunday (Oct. 31) at the First Baptist Church (105 Maple Ave., Keene). Service at 10 a.m., open forum at 11:15 a.m. Speaker will be the Rev. Neville Vine, former U.Mass. campus minister and currently a doctoral fellow at U.Penn., who will speak on "Making Life Our Own." KSC students and faculty will participate. Students are invited. Buses will leave Alumni House at 9 and 9:28 a.m.

and Fitchburg, 0.

Keene chalked up it's 12th win of the season here Saturday, defeating Eastern Connecticut, 3-1.

Once again the Owls got off to a slow start and found themselves behind at the end of the first half 1-0.

At the start of the third quarter, KSC Coach Ron Butcher moved Steve Parker up to a halfback position. The move payed off as Graham Jones fired a perfect Mickey Rooney pass into the nets to tie the game at 1-1.

Jones was just too fast for Eastern Connecticut's defense and led many fast breaks towards Eastern goalie Joel Boisvert. Mark McEuoy booted a blazing shot that was simply too much for Boisvert to handle as the ball finally dribbled past the startled goaltender at 6:29 of the third quarter.

Keene scored an insurance goal on a penalty kick to put the icing on the cake. The shot was taken by none other than Mickey Rooney who has vet to miss a penalty shot this season.

Thursday at Fitchburg the Owls unleashed an awesome offensive attack against the Massachusetts team. Rit Swain

Phi Mu Takes Laurels

Greek week's "mini-Olympics" ended in favor of Phi Mu Delta last week, marking their first athletic trophy in their brief history.

Alpha Pi Tau held the point lead until the final event, the 220-yard dash in which Dave Eames and Dave Westover of Phi Mu Delta placed first and second. The final point tally showed Phi Mu ahead of Alpha by two points.

The final scores were Phi Mu-48, Alpha-46, and TKE-31.

Keene Upsets E. Conn. 3-1 'LIVE' PROGRAM TO STRESS WILDERNESS SURVIVAL

Back-packing, mountaineering, rock climbing and bike trips are slated as the main activities of KSC's new "Operation Live" Program. The program, which is offered in conjunction with the acclaimed"Outward Bound" program, will offer KSC students and staff learning opportunities in vigorous environments.

Each of the weekend-long programs will involve immediate contact with nature and will teach students survival techniques. The KSC Physical Education De-

Harriers Break Track Record

By JOE PAPPO

The KSC Harriers ran their first home meet last Thursday placing six of its men in the top seven. Keene's outstanding freshman Kieth Martell ince again crossed the finish line first with a new course record of 26:09. The old record, 26:55, was set by Denny Anderson last year.

Two other freshmen, Glenn Brawhardt and Dave Guglielmo finished 2nd and-3rd respectively with times of 26:15 and 26:21. Mike Canty of Castleton broke Keene's string and finished 4th; he was followed closely by Denny Anderson, Pete Hanrahan, and Mack Malkoski with times of 26:46, 26:52 and 27:32 respectively. All of the top six runners broke last years record.

The final score of the match was Keene 17, Castleton 56, St.Anslem's 62 and Franklin Pierce 117.

On Saturday Keene travelled to Maine for the University of Portland-Gorham Invitational Tournament. Keene finished second with a score of 78. First place finisher, Westfield State College had a score of 47.

Keene's record now stands at 41-4. They will return to action this Saturday here against Merrinack, Lowell Tech, Worchester, Barrington, New Haven, and - St. Michaels.

misioner Nicholas Johnson.

Even the most optimistic Coalition members admit that chances for a presidental victory in '72 are slim. Despite an early start in the presidental race, the Coalition has enormous ground to cover.

Much of their support is hoped to come from dissatisfied Democrats after the Democratic convention. Most Coalition members expect a repeat of 1968, with the nomination of a conservative Democrat resulting in the alienation of many McGovern and Muskie workers. This support, if it comes at all, would probably be too late.

Presidental victory, however, is not the Coalition's only objective. It is hoped to build a strong base for the future, and to put into Congressional and local offices members of the fourth party.

With any amount of publicity, the Coalition will at the least stir conversation and discussion. Generally accepted methods and policies cannot be fully scrutinized until a more radical alternative is

The Coalation is a radical alternative. For those who are dissatisfied with the three major parties, it will offer a fourth, totally different, choice. It remains to be seen if the Coalition can resist the onslaught of opposition, skepticism, and cynicism and emerge as a legitimate party.

partment will be offering credit for participation in the program.

The excursions will be headed by Mr. Keith King of the KSC Physical Ed-

ucation Dept. and qualified students. King stressed that "Live" also functions for beginners. One doesn't need to know a thing about mountain climbing, backpacking, etc. in order to participate, he

The college will supply transportation, food, technical equipment and instruction for the weekend. The P.E. Dept. also pays half of the weekend fee. Student fee will be \$5.75 per weekend. The new program also plans to form

groups designed to assist the State of New Hampshire's Fish and Game Dept. in their Search-Rescue Operations.

In January, students may sign up for the official "Outward Bound" courseoffered by Dartmouth College. In late February, the operation plans ski-touring and winter survival along with plans to ski the length of Lake George in New York.

For more information on "Operation Live" contact Mr. King at the P.E. Dept and watch the red bulletin boards located in front of the Gym and the Dining Commons. "Live" is open for suggestions to meet the interests of all students. King

Sign-ups for the trips will be held each preceeding Monday at 4 p.m. in the Gym. The program's schedule is as follows:

Oct 29-31 Bike Trip - 50 Miles Nov. 5-7 Backpack - Long Trail Nov. 12-14 Beginning Rock Climbing Nov. 19-21 Mountain Rescue - Evacuation Dec. 3-5 First Winter Backpack - Camp Dec. 10-12 Basic Winter Mountaineering

The recent bicycle rage which is sweeping the nation has not left KSC unscathed. This inexpensive and convenient mode of transportation is currently being used by more KSC 'students than ever before. The new population of bicycles has led to another problem however - where can we put them all? Bicycle lovers might enjoy two articles in this weeks paper: What to Look For in a Bike (pg. 7) and Sorry for the Inconvenience (pg. 5).

Alternative One Program Temporarily Evicted

Due to a lack of conformity with city building codes, the Alternative One experimental program has been temporarily evicted from its residence at 32 Emerald Street.

The notice, served Friday afternoon, forces 22 Alternative One students to find a place to sleep. A work force of 24 students will be permitted to occupy the first floors of the two buildings, howe-

Most of the displaced students have

Soccer, X-Country

Teams Ineligiblepg. 8

Gagne, Crook Resign.....pg. 3

On The Inside

been relocated by the college, with the rest-finding facilities elsewhere.

It is not yet known when the evicted students will be allowed to return to the house. The town has given the program 30 and 60 days to meet first and second priority safety requirements, respectively

The sudden notification by the city followed much speculation by program members. In mid-September the building inspector and fire chief informed the house that certain requirements were not deadline set. The major problem was the lack of a fire escape in the front house.

This caused the third floor of the front house to be condemned, leaving 11 students roomless.

This situation was supposedly cleared up, and the third floor was once again in use. However, ensuing inspections by the fire chief resulted in the recondemnation of the third floor, due to the nonenclosure of the fire escape.

Still no deadline had been set for completion of the enclosure and other necessities entlined in a release of September

On Thursday, Oct. 28, the building inspector and fire chief informed the program that if all requirements, including enclosure of the stairways and boilers, complete rewiring of the house, corrections in plumbing, and the installation of a fire alarm system, weren't met by Nov. I a notice of eviction would be served.

On Friday morning the building and electrical permits were revoked, under the stipulation that if cause could not be shown to retain the permits by November 2 the decision was final.

This caused some consternation on the part of Alternative One people, who could not understand how they were supposed to build without a building permit. At this point President Leo F. Red-

fern of KSC conferred with Keene City

Manager James C. Hobart, Hobart agreed that a "work crew" of students would be allowed to live on the first floors of the two houses until repairs were completed.

The housing situation has further been complicated by a change of ownership and the lack of a lease.

A lease had not been signed by the program because of disagreements over who was going to pay for certain renovations on the house. It was then discovered that the bank was preparing to foreclose the mortgage, and the owner gave the program a deadline to sign the lease and pay the rent.

When the lease was not signed, the bank took the house. This could lead to the sale of the house and the subsequent eviction of the tenants by the new owner. However, there is a second mortgage,

and the owner, does not want to lose the the money already invested. There is therefore a looming possibility that the house will be bought by this person. If this should occur, building would

remain in the hands of the program.

At the moment, though, the chief concern of the students in the program is to meet the deadline of the building inspector. A building contractor has been hired to help supervise renovations, and students in the experiment will do the
