

OFFICE MEMORANDUM

From _____

Date 4/30/41

Dear George.

Received your latest missile, and was very glad to hear from you, and to know that everything and everyone is fine and dandy.

Your subtlety about the doctor's order made me laugh, for the moment; but it made me ask to realize that perhaps you are right, in advising me not to join the "Y" just yet. I had counted on membership there, as a means to spend most of my time, and as a means of meeting some nice fellows. Perhaps we can talk it over and come to some sort of compromise. Although, I can see your point. This not being able to join, necessitates my spending my time in some other fashion. As yet, I can see no better way.

I am looking forward to seeing

the package you are sending me, and I, too, hope it gets here; before I make my intended trip to N. Y. this week.

The boss will be up here tomorrow or the day after; and I have no qualms about. In fact, I welcome his visit. I feel as though I have been very competent in my handling of things here, and know that I have left nothing unfinished.

The weather here has been absolutely beautiful. At night, the sky is lit up with myriads of stars, and at present, about $\frac{1}{16}$ of a bright red moon is enhancing the sky with its beauty too.

Hope you and Flo continue to be well.

Regards —

B. B.

Thanks for the stamps.
