

Monday evening,
March 27th 1884.

George, my dearest,

You've made me so very happy with
all your letters to-day, four of them,
and each made me more excited than
I've been for years. I sincerely hope
plans go through this time and that
we'll be together before Easter time.
One of the letters was censured by J.P.
Green and H.T.C. and I got that too from
Bob also sent a letter and I've just
finished writing one to him. I hope
his breaks keep coming like they have
up until now.

Baby and I are swell, stayed indoors because of the rain and thunder showers and it's still raining. He's fast asleep and is so precious and getting very lovable. I played quite a bit with him to-day and told him that he's got to learn lots of things before he sees his Daddy. His answer was a great, big smile with those devilish eyes. He senses that his Mommy is all excited about seeing Daddy soon and follows me around like my shadow. What a darling Jimmie is - like his Daddy.

Your folks are fine and received mail from Jim and Bob to-day. Mr. Pinus called me to-night and told me not to discuss anything about Jim with

anybody. He's ³right - also advised me
to universal the fire and theft insurance
on the car so I'll call May to-night
or in the morning. Mr. Parker, from
Chenier called and offered me \$10.00 -
he said if I didn't take that they'll with-
draw the claim, so I asked for the \$3.00 I
spent on the doctor and I may get \$13.00
to-morrow. It's the most I can get - says
that no harm was done and I don't want to
make a fur. Pop also advised me to take it.
That'll make up for your lost Christmas
gift of \$10.00.

Do you think it advisable for me to go up
to Bos'n this Sunday and have my mail
sent up there by Betty? That's my only

Problem right now - those checks may
come on Monday or Tuesday so I don't know
what to do. If you can get an answer back to
me by Saturday try to do so altho it's not
so important that I go this week - I can
go the following Sunday.

Hope you're well and not working
too hard. Did you have to do that wash
over, that was in the rain all night?

I still love you, darling, with all
my heart and will tell you so - so very
soon. Here's hoping it's not a dream.

Good night, until to-morrow and
all my love and devotion. Jimmie
kissed a great big kiss and hung to his
wonderful Buddy.

Always
Florence
