Secret beloved,

As to night we hope to hear that the war is ended in Europe. The news is breaking in an all program and we may have an official hearing here Monday if it looks like that. You can well imagine how happy your folks and I are about all this. We just hope and pray we'll see you shortly, my darling.

Jim again today and that gave me a chance to finish up my spring cleaning. Jim helped me with the packing of the wardrobe and he did a good job. Received your April 20th v. mail and am always glad to read that you're well and waiting as patiently as we for the good news. Hope to the folks and all is well with them and also my family. We're all sitting around and needles for the next week.

Jim and I are fine and dandy and hope the new clothes again soon as we can take more shape. I still love you as always and miss you so much. This up, my heart, we'll be that happy too again and believe me and devoted to the rest of my life.
